Son Tran

Front End Developer

LinkedIn   **Github**   **Sontran.kh1502@gmail.com**   **+84 393.331.788**   **Ho Chi Minh, Vietnam**

A passionate Front End Developer with solid foundation in HTML, CSS, JavaScript, and React.js, always eager to learn and grow. I enjoy creating impactful web products and great user experiences. I seek to join an innovative international team, contributing to exciting projects and expand my knowledge in the global environment.

PROJECTS

sontrdev.com
- My interactive and responsive portfolio, which features front-end web development projects.
- Skills: React.js, Sass, Redux Toolkit, and EmailJS

Corp Vision Project
- The project focuses on a clean design, smooth navigation, and a user-friendly interface.
- Skills: React.js, react-router-dom, Sass, and Swiper.

Pomodoro App Project
- It focuses on time management, custom sessions, and a minimalist design to enhance productivity.
- Skills: React.js, Redux, CSS, and GSAP library.

Calculator Project
- A simple and responsive calculator app with basic arithmetic functions and error handling.
- Skills: React.js, CSS, and SweetAlert2 library.
